

February

Hello Families!

February is often thought of as the month of love. Valentine’s Day is a reminder that we should take the time to tell people how much they mean to us. When it comes to our preschoolers, it is no different. When the children come to school each day, they not only know that they are loved and valued, but their teachers also desire for them to develop a true love of learning. A love of learning is something that will guide our children every day for the rest of their lives. Thanks for sharing your children with us!

It is important for children to explore and know about their neighborhood or community. By learning about the community, children gain a sense of belonging and an understanding of the world around them. All month long our preschoolers will be learning about the community they live in and those who help to keep it safe and running. Each week we are focusing on a different groups of important people in and around our wonderful town of Parker. If you have a profession or hobby that helps our community, please stop by the office with your child for a quick photo.

Your 2019 tax statements were sent out via email in January. Please stop by the office and let us know if you require a hard copy or if you have any questions. The tax number (EIN) is located in the top right hand corner of your statement.

Community Helpers Spotlight

Take a look at who we will be focusing on each week

- Feb. 3-7 Military and First Responders
- Feb. 10-14 –Health Care Workers
- Feb. 18-21—Teachers and Administrators
- Feb. 24-28—ALL Community Helpers

If you have one of these professions, please stop by the office so that we could take a picture of you and your child.

**Military, First Responders, Teachers, Postmen,
Librarians, Garbage Collectors, Chefs,
and any other
community helpers in our community..**

In addition we are also wondering if you would be willing to present to our school and teach us about what you do for our community!

You can help support the *Ronald McDonald House* of Denver by collecting the little *tabs* you *pull* to open *sodas*. The funds generated from recycling these *aluminum* gems help offset the *House's* expenses.

A huge thank you to 8 year old Victoria Bjork who is a member of JLC for organizing this with our preschool. Thanks to all of you, she will be able to help us make a difference!

Our Teddy Bear Clinic is back again this year! Preschoolers may bring in \$1 and one of their stuffed animals on February 10th & 11th. They will then be able to take their teddy bears to a well check visit during class time.

Easy Dinner Alert!!

Order your **Papa Murphy’s Pizza** through JMP and we will deliver to you at the preschool on either February 12th or 13th, depending on your class day. Order forms will be available at the preschool. Please make checks out to Joyful Mission Preschool and turn them into your teachers **OR** let us know to bill your account. All orders must be placed by February 7th.

February

- 10th—11th Teddy Bear Clinic
- 12th & 13th Valentine’s Day Parties
